

Theresa J. Rambosek
Senior Attorney
Phone: 206.622.5511
Email: trambosek@bblaw.com

Terri advises acute care hospitals, behavioral health facilities and physician groups regarding transactions and contracts, risk management, employment, and regulatory compliance. Terri's extensive experience as in-house counsel and well-developed understanding of health care operations provides a valuable background for her advice to health care clients on developing joint ventures and other new business entities, completing practice acquisitions, managing medical staff affairs and quality improvement issues and addressing both employee and patient-care matters. She frequently speaks to attorneys, health care providers and administrators on health law topics, and has been an author and editor for the Washington Health Law Manual.

PROFESSIONAL EXPERIENCE

- Structured Innovative Recruitment Arrangements to Help Federally-Funded Clinics Improve Access to Primary Care Providers and Reduce Emergency Department Costs.
- Completed Hospital Acquisition Of Internal Medicine Practice To Promote Availability Of Local Primary Care.
- Led Restructuring Of Physician Hospital Imaging And Dialysis Joint Ventures In Compliance With Regulatory Changes.
- Directed Development Of A Multi-Disciplinary Institute To Enhance Availability Of Specialty Care.
- Implemented In-House Employment Law Training Program And Employee Manual.
